To our grads... It has been an honour to watch you grow, not only as dancers, but as incredible humans. We are so proud of everything you've accomplished, and we wish you nothing but the very best in your future endeavours. We hope that dance has taught you more than just steps, that it has given you confidence, resilience, and memories that will stay with you forever. Know that we'll always be cheering you on from the wings. No matter where life takes you, you'll always have a home with us.

and to our VDA families...

We couldn't do what we love to do without your support!
We thank you for trusting us with your dancers and for believing in our vision!

A heartfelt thank you,
Sam Crossley & The VDA Team
